FROM THE PASTOR'S DESK

April 2026

If you asked an unbeliever, "What is truth?" What kind of answer would you hear? There was a time when there were more believers than unbelievers and so you heard a majority of people say that "Truth is found in the Bible" or that "Jesus is the Truth". That certainly is not the case today.

Pilate asked Jesus, "What is truth?" He was cynical; he thought that all truth was relative-it could be whatever Rome wanted it to be. We are living in a world where truth is relative. Your truth may not be someone else's truth. Many people find it difficult to know what truth is and the reason is not a great mystery. The world has no solid foundation to base truth on.

Let's look at government officials. For all too many, while they are campaigning, truth is whatever the majority of people agree with or whatever helps to advance their own personal power and political goals. As soon as they are elected, they make political decisions based upon their own political philosophy and possibly their own religious beliefs. This is what happens when the world does not submit itself to the One who is the Way, the Truth, and the Life.

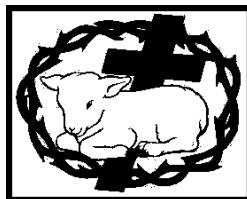

Pilate blurts out to Jesus: "What is truth," not realizing that the answer was standing in front of him. Ever since Adam and Eve believed Satan and not God truth has been questionable. The question is a spiritual one. It is spiritual because the "father of lies", Satan himself, is the one who continues to twist the truth of God's Word so that for denominations, theologians, pastors, and laity the Bible is not the Word of God; rather it contains the

Word of God. Did you notice how Satan has twisted the Truth. For us, Bible believing Christians, all of the Bible is true. For others the Bible is only partially the Word of God. It is not God's Word when they fall into Satan's trap and believe that those parts that the world disagrees with, or that they themselves disagree with, are not God's Word but merely the words of sinful humanity.

For Bible believing, confessional Lutherans the Bible is the true, inspired, inerrant Word of God. It cannot be anything else. If it is something else, then our faith is in vain, and we have to doubt everything and anything that is written in it. Ultimately, we have no hope. We cannot be certain that Jesus is the Son of God. It is questionable that our sins are forgiven and that we are saved by grace, through faith, in Jesus Christ alone.

We are able to joyfully celebrate Easter because by faith we believe and we know the truth that Jesus is "the Christ, the Son of the living God." The Holy Spirit has breathed the faith in us to believe that when the Bible tells us that the Son of God is also the Lamb of God who takes away the sins of the world. We know by God's grace that death could not hold the body of Jesus and that on that glorious Sunday morning following Jesus' death He rose from the dead, assuring us that we too shall rise from the grave, ascend into heaven, and stand before the throne of Christ for eternity.

BOARD OF PROPERTY MANAGEMENT

There are six major property management initiatives that require funding outside of the Ministry Spending Plan. They are:

1. Sanctuary Painting, with an estimated cost of \$25,000.
2. Carpet Replacement, with an estimated cost between \$52,000 and \$67,000.
3. Education Building Drain Line, with an estimated cost of \$30,000.
4. Additional stucco repair, with an estimated cost of \$25,000.
5. Exterior painting or sealant of all church buildings, with an estimated cost of \$40,000.
6. Tree removal or trimming, with an estimated cost of \$15,000.

All the above initiatives will be contracted out. We will continue the third Sunday special collection for these Property Management initiatives.

Maintenance Initiatives Started or Completed

1. Removal of the wooden stage in the social hall was completed during the February church workday. The stage will be taken to Brunswick, GA on Saturday, 14 March, and reassembled for use by

Brunswick Mission Church. The portable stage has been set up and is in use.

2. Repairs to the "Rainbow Room" Sunday School classroom have started. The exposed wall area will be primed, 2 feet of header replaced, and the sheetrock replaced. Then the walls will be repainted.
3. The Sanctuary pendant light fixtures will be converted to LED during Lent. Keith Hinz, an electrician recommended by Karl Schumacher, is working up his estimate cost.

Property Management Updates

1. Roof.
Diamond Roof Restorations cleaned and inspected the Silicon Sealant System on Tuesday, 9 December, as required by the warranty. They also repaired areas of the roof sealant system located above the choir loft. Otherwise, they reported that everything looked good. There was no mention of damage to the roof from turkey buzzards. We will continue to monitor the turkey buzzards.

2. Sanctuary HVAC.
Heat/Cool settings are adjusted to are 62 for heating and 72 cooling for the Narthex, and 62 for heating,

and 72 for cooling for all HVAC systems except for the church office. the Sanctuary. The settings were adjusted based on the current levels of humidity in the different spaces. The desired humidity is 55%, with an acceptable range between 45% and 65%, relative humidity above 65% will engender mold and mildew.

3. Sanctuary Painting (In-house).

We have completed painting the lower walls in the Sanctuary, the Cry Room walls, and all but a small section of the Choir Room. The Narthex hallway walls are painted. The room next to the choir room was painted during the November church workday, sincere thanks to Bruce and Judy Bringman. We will start priming and painting the rest of the Narthex area in January 2026. Please contact Ed Rogers or Bob Hanovich if you are interested in priming and painting the Sanctuary. Priming and painting, except for areas above 12 feet, will be completed in-house.

4. Pest Control.

We have contracted with Preferred Pest Control to treat the outside of all structures and any indoor areas where food is stored or prepared on a bi-monthly basis.

Ongoing Work or Requirements

The following work list has been developed per board responsibility Church Property and Equipment - Work Lists.

1. Carpet.

The value of cleaning would be removal of dirt, bacteria, and musty smell from the carpet, but stains would remain. Our total carpeted area is around 8,000 square feet, therefore cleaning the Sanctuary and Narthex carpeting would cost between \$2,500 to \$4,000.

2. Sanctuary Painting (Contracted out)

Painter recommended by Karl, was on site Monday, 6 October. They looked at the areas in the Sanctuary that require painting. The proposal will include painting the ceilings, approximately 5,000 square feet of surface, the high walls at the front of the church and back to the stained-glass window, the burgundy area behind the altar, and an option to paint the cross. Estimated cost is \$25,000.

3. Carpet Replacement

Poppell Flooring was on site Wednesday, 1 October. They are working on their proposal. Options are

carpet squares and Luxury Vinyl Plank. Carpet squares cost \$52,280. Luxury Vinyl Plank cost \$67,180

4. Education Building Drain Line.

The original church building, built around 1970 and the 1978 addition, the gym area, share a common drain line. The Sanctuary-Social Hall building might also use the same drain line. The plumbers think we might get another two or three years before the pipe becomes narrowed to the point where it will not drain. We will get an estimate on replacing the cast iron with PVC. The drainpipe runs from the front corner, closest to the Meditation Garden, of the Education Building to the utility hole located at the corner of Mercy and Woodley. The cost of drainpipe replacement is \$150 to \$250 linear foot, our run is around 150 feet, therefore, \$22,500 to \$37,500. Looking into reducing the cost by doing part of the work in house.

5. Stucco.

Additional stucco replacement and repairs. Four panels, not previously repaired or replaced, require replacement. Estimated cost is \$25,000.

6. Exterior Paint/Sealant.

Building exterior paint to seal and protect the stucco surfaces from erosion and wear. Estimated cost is \$25,000.

7. Trees.

Trees on the church property will be monitored for damage or rotting. Estimated cost is \$15,000.

Other

1. Conversion of large globe pendant fixtures in the Sanctuary to LED.

2. Completion of interior work for removal of the large triangle window in the education building. Estimated cost is \$1,000.

3. Cameras and Wi-Fi. Two additional 120-degree coverage cameras have been purchased and will be installed to monitor the back of the Sanctuary and Social Hall building. Two Blink cameras have been temporarily installed and show there is activity taking place. It is also recommended that three additional cameras be purchased to cover the garden area and the parking lot. This will enable the removal of the remaining older cameras, wires, and conduit mounted on the exterior of the buildings. Estimated cost is \$2,000. Existing camera coverage

will continue to be monitored to determine if additional cameras are required.

4. The following actions have been started per broad responsibility Church Property and Equipment - Implementation & Facilitation.

- a. Congregation members weekly complete lawn and garden care activities.

- b. There will be a church workday on the third Saturday of each month, from 9 am until noon. Lunch will be provided afterwards.

5. The following actions have been started per broad responsibility Miscellaneous - General Responsibilities of The Board - Help plan, implement, and conduct servant projects and encourage continued and increasing participation of congregational members in these activities.

BOARD OF SOCIAL MINISTRY

We are so excited to announce the great news that we have a rescheduling date for Tanner Olson to visit TLC in Savannah! Put a big circle around Saturday, January 23, 2027, on your calendars. We will post more information on the schedule of events as we get closer to the date. Thank you, Lonna McEwen, for being persistent in making this happen.

Our March Family Fun Night was quite fun with the group playing dominoes. Even though Shirley Masini said she didn't know how to play, she managed to win both games. Congratulations, Shirley, for games well played.

We will not be providing our usual pancake breakfast on the first Sunday of the month. We will be providing a "finger food" breakfast instead as it is Easter Sunday. Breakfast will be a smorgasbord of delights from muffins to sausage rolls, fruit to casserole dishes.

The Board of Social Ministry is always looking for volunteers to participate in planning events, workshops, and fun things to do for our congregation. If you are interested in helping out with any of these events, please contact Karen Hanovich.

TREASURER'S REPORT

The Church Council wishes to keep you informed of our financial situation on a monthly basis versus waiting until the Voters Meetings.

1. The Collections were \$117 less than the Expenses. Close to a breakeven. Very close. We had estimated a loss of \$5,088.

February Collections	\$27,073
February Expenses	(27,190)
Difference	(\$ 117)

- a. The Collections were \$2,074 more than the estimated amount. Unusual month - we did not have a service on February 1 due to bad weather.

Then we collected over \$15,000 the next week – The Members made up missing the prior week.

- b. Many of the Boards had expenses less than the estimated amounts.

2. The Tanner Olson event was canceled. Lonna gave us direction on how to handle the money received.

- a. We moved \$1,585 to the future event in January 2027.

- b. Some money was refunded
 - c. Some money was moved to Designated Funds.

- d. We had voided the prior checks written to them for their services and costs.

3. As a reminder, we moved \$50,000 of the money received in January to the LCEF account. The interest earned was over \$40. Much higher than prior months.

Karl Schumacher, Treasurer

THE DOGHOUSE

March was Veteran's of the Cross time. We traveled to Titusville and spent three days hearing inspiring speakers and sharing fellowship. This is annual event sponsored by our district for retired pastors and lay workers in the church. One of the highlights was seeing Pastor & Barb Schroeder.

On a trip to visit family, we made time to visit the kids at Shepherd of the Coast Lutheran School, spent time comforting a friend who recently lost her mom,

and attended a baptism at Trinity Lutheran Delray. We love sharing the love of Jesus and Trinity Savannah wherever we go.

We continue our regular local visits making friends smile!

PATIENCE

Patience—each of you extended that to me who registered for Tanner Olson and waited patiently as I worked with him to find a date that worked for both he and us. After many emails and text messages we have a date. 2027 will kick off with a welcome of Tanner Olson on January 23rd. Surely, we will not

experience wintery weather three years in a row! Mark your calendar now, Tanner Olson - January 23rd, 2027, Trinity Lutheran Church, Savannah, GA.!

Thank you, Lonna McEwen

PENNIES

Let's make every penny count. The US Treasury estimates that there are 114 BILLION pennies in circulation. The LWML needs some. Your FL. GA. District LWML needs a little over \$50,000 by June 15, 2026, to be able to pay the remaining Mission Grants selected at the 2024 District Convention. One of the grants that has received their requested funds is Maritime Bethel. Trinity LWML submitted forms to them to submit, and they were accepted to be one of the grants up for vote at the 2024

Convention. They received enough votes to be on the list to receive our Mites. We want every grant to be paid in full. When you donate on the 1st Sunday of the month, this goes to our District Mite Fund. We especially like the purple \$5 bills...printed just for the purple LWML—well, that's what we say.

Thank you in advance.

Lonna McEwen,

LWML East Central Georgia Zone President

TLC QUILTERS

TLC Quilters have been very busy! A Big THANK YOU for the bags of fabric! We can always use them. When we can't use the donations, we send them to Blessingdales or other places as needed.

We have new baby quilts hanging in the Narthex and on the staircase in the Education Building. Take a gander! There may be something that will just be the 'ticket' for a friend or family member.

The lap quilts are still rolling off the line and many are on display. Some will be going to the VA as we missed them the last time. We will also be taking

quilts to Fresenius Kidney Care in Berwick for their many patients on dialysis.

Lap quilts are still \$40 and baby quilts are \$35. Cash or checks work for us. We will be quilting until mid May, so there will be plenty of time to look for a quilt. Ask any of the quilters if you have questions or need a specific color/theme for your next purchase.

Blessings to all and Happy Easter!

SERVING

I recently attended the FL. GA. LWML District BOD meeting in Orlando. A lot of information given to us during that time, and we also have Bible studies. We studied scripture and all our body parts that are woven together and how each rely on each other. Just like the church. In the one study: Because Jesus has overcome the world, we SERVE not out of anxiety but out of confidence in HIM. We were asked to think of this statement and to add I am so thankful that Jesus Christ wasn't booked for something else (too busy) that Friday afternoon that we know as Good Friday. Which led to 'How can I serve'? How can I serve at Trinity?

There are many ways to serve - giving some of your time—committees and Church Council. PRAY! Ask

God how HE wants you to SERVE HIM.

The church is not held together by personality preference or programs—but by Christ Himself. We have a diversity of gifts, interdependence, all for the purpose of one head—CHRIST. We are not simply working for Christ—but woven together to SERVE HIM. Listen—in times of need God will urge people to step forward. Remember the hymn: Take my life and let it be, consecrated Lord to Thee. The LWML's motto is "Serve the Lord with Gladness". Think of that as you open yourself to serve your Lord at Trinity. Let Christ be our guide each day.

CUB SCOUTS

Recently, over 70 scouts and family members from Pack 7 had the privilege to experience what it was really like to be in the Mighty 8th Air Force during World War II. Scouts not only received a guided tour of this acclaimed national museum, but also learned about the B-17 Bomber and its critical role in defeating Germany. Scouts also did a nighttime

scavenger hunt using flashlights in the museum, saw a midnight movie, slept overnight under the B-17 Bomber, and woke up to a wonderful breakfast, which included receiving a set of real military GI “dog” tags with their names actually stamped on them. What a great time! It was truly an experience that will always be remembered.
